

How We Do Online Learning

Online learning is new to all of us, so please be kind and patient as we learn this process together! If you have questions, concerns, or comments please do not hesitate to let me know!

Things to note:

1. Online school starts on August 31, 2020.
2. All lessons and assignments will be posted in our Google Classroom. Your student should have this app on their Ipad and I invited them to the class, so they should have access. All assignments and resources will be posted here!
 - a. Link to the Classroom
 - i. <https://classroom.google.com/c/MTIzNjIwOTMzMzIw?c=c=aqbq7mc>
 - b. This is new to me and I am sure to you and your student as well, so we will all learn a lot through this process!
 - c. There are a lot of "how-to" videos online if you need help navigating Google Classroom!
3. Your student is expected to email me every school day! They have a Gmail account through our school and the app on their Ipad. This email can include what they worked on that day, how they are feeling, any questions they have, school work they completed that I need to see, etc. This is simply a way check-in to ensure I have contact with students.
4. I will also contact you as a family member regularly, to ensure you have no issues or concerns!

5. The apps we will use are listed below. Some are not ready to be used yet, so I will let you know when your student is expected to start using it! I will provide you with login cards/information when I have it ready for you. Please keep all login information handy for students to easily access.

- a. Google Classroom
- b. Iready
- c. Gmail
- d. Google Docs
- e. Wonders
- f. Khan Academy
- g. IXL
- h. Moby Max

6. When/if your student returns to school, they will need to bring back any books, login cards, their Ipads and chargers, math resources, word book, etc., that was sent home at the beginning of the year.

7. The beginning of the year may seem choppy as far as work goes, this is to be expected. In the classroom, students are learning rules, expectations, and procedures. By mid to late September things will start to settle in and seem more normal.

8. My website contains a lot of information and resources, please be sure to explore it!

Please remember, I am here for you and your student! Do not hesitate to reach out to me. I can easily be reached by email at smcgillviray@nvknights.org, or via Remind.

Mrs. McGillviray
